

Schedule of Fees
All fees are non-refundable

As an independent, nonprofit certifier, A Greener World charges below-market rates for application and auditing, and is grateful to be able to offer certification free of charge. With the help of generous donors, members and supporters, our nonprofit is also able to provide free marketing and technical support. We invite you to reach out to our Farmer and Market Outreach Coordinators to take advantage of these complimentary services and look forward to working with you to make the most of your high-value, market-leading certification.
