

**A Greener World
Auditor Job Advertisement**

A Greener World (AGW) is growing our team and seeking multiple individuals to conduct audits on behalf of AGW's certification programs. AGW is a globally impactful nonprofit that identifies, audits, certifies and promotes practical, sustainable farming systems by supporting farmers and ranchers and informing consumers.

Our growing family of trusted certifications includes [Certified Animal Welfare Approved by AGW](#), [Certified Grassfed by AGW](#), [Certified Non-GMO by AGW](#), [Certified Regenerative by AGW](#), certification for [Distributors and Further Processors](#) and Certified Organic by AGW (coming soon).

AGW is seeking to fill multiple audit positions with areas of specialty below:

- Livestock specialists: complete species-specific reports detailing the farm's compliance with the applicable standards. Species include dairy cattle, beef cattle, bison, pigs, goats, sheep, chickens (laying hens and broilers), turkeys, geese and ducks. Ability to audit multiple species is required.
- Crop specialists: audit farms to verify non-GMO and regenerative farming practices based on AGW's published standards.
- Regenerative farming specialists: audit both livestock and crop farms to confirm regenerative farming practices based on AGW's published environmental and social standards.
- Slaughter specialists: review slaughter plants that are used by the AGW's farms and conduct annual reviews of plants already recommended by the program based on AGW's published red meat and poultry slaughter guidelines.
- Mass-balance specialists: conduct remote or in-person mass-balance audits of businesses to verify compliance with AGW's distributor and further processor standards.

Ideal candidates will be able and willing to audit in more than one of AGW's areas of specialty listed above.

These positions require extensive travel across the United States and Canada. Initial and ongoing training is provided. These positions are very flexible and can accommodate most schedules.

Contract rates start at \$300 per audit. Annual salary starts at \$45,000 with health and dental insurance, retirement plan and generous paid time off.

Requirements:

- Must have demonstrated experience in the area for which they are applying. Experience in auditing is a plus but is not required.
- Must be able to cover travel expenses for reimbursement.
- Good communication skills, especially the ability to communicate well with and maintain respectful attitude towards clients and staff. Ability to communicate in both English and Spanish is a plus but is not required.
- Valid drivers' license and ability to lift 50 lbs.
- Ideal candidates will live close to a major airport, enjoy traveling and have good computer skills.

How to apply:

- Send a cover letter, resume, and three references to jobs@agreenerworld.org
- Indicate your area of expertise and your preferred auditing specialty in your application.
- Provide your weekly/monthly availability to travel.
- List your job type preference (contracted or full-time employment) and pay requirements.

AGW is an equal opportunity employer and we encourage people with diverse backgrounds and experience to apply. Applications received by August 31 will be considered in the first round of reviews, and shortlisted applicants notified in September. Later applicants may still be considered and positions will remain open until filled. Thank you for your interest and we look forward to your application.
